REQUEST FOR CORRECTION OF INVENTOR NAME

Dear Sir:

This request is for correction of inventor name in the above-identified patent application No. 10/589,600. The correct inventor's name is "**Baisong Li**". Due to alternative pronunciation of Chinese character, the originally filed inventor name was "**Bosong Li**". This error occurred without any deceptive intention.

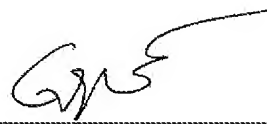

This request is also attached with a newly executed Declaration under 37 CFR 1.63, a Fee Transmittal with a processing fee \$130 set forth in § 1.17(i), and a Transmittal Form, in which the correct inventor name is listed.

Your prompt action for effecting the correction of the inventor name is highly appreciated.

Respectfully submitted,

Dated: November 25, 2009
